Why choose Cambridge English Qualifications?

About the exams

Cambridge English Qualifications are in-depth exams that help people to learn English and prove their skills to the world. They encourage continuous progression with a clear path to improve language skills.

The exams are enjoyable and rewarding and help to motivate people of all ages and abilities to learn English and develop practical skills for the real world. Cambridge English Qualifications are recognised by over 25,000 thousand organisations in 130 countries worldwide.

How the exams help

Each qualification focuses on a level of the Common European Framework of Reference (CEFR), enabling learners to develop and build speaking, writing, reading and listening skills. Cambridge English Qualifications help you to:

- Develop your students' skills and confidence
- Structure your language-learning curriculum
- Evaluate your students' progress
- Help your students prepare for higher level exams

The step-by-step approach

C2 Proficiency

This qualification shows the world that you have mastered English to an exceptional level, with the fluency and sophistication of a highly competent English speaker. Preparing for and passing the exam means you have the level of English that is needed to study or work in a very senior professional or academic environment, for example on a postgraduate or PhD programme.

C1 Advanced

This is proof of high-level achievement in English for school-aged learners or adults preparing for university or professional life. This exam is the logical step in the language learning journey between B2 and C2 levels.

B2 First for Schools & B2 First

It is a great way for learners to prepare for higher level exams, and shows they have the language skills needed to communicate confidently in an English-speaking environment whether it may be for work or social purposes.

B1 Preliminary for Schools & B1 Preliminary

This qualification shows that a student has mastered the basics of English and now has practical language skills for everyday use.

A2 Key for Schools & A2 Key

This qualification helps learners to fully develop their everyday written and spoken English at A2 level. It shows that a student can use English to communicate in simple situations. For school-aged learners, the exam builds on the skills students have achieved at A2 Flyers.

Pre-A1 Starters, A1 Movers and A2 Flyers

These three exams are for young learners aged 6–12. They build young learners' confidence and lay the foundations for future success in English. All these exams for young learners are fun, colourful and activity based, motivating children to learn.
