
Data Protection Notice

A parent / legal guardian hereby states that the child that has been selected to participate in the conference and fair 'New Technologies in Education' is allowed to visit the event which is organised by the British Council. The child must be accompanied by a teacher that has submitted individual and group application in order to participate in the event.

The British Council has adopted the necessary technical and organisational measures to guarantee the security and integrity of data with the UK Data Protection Act.

By signing this form you agree with the statements mentioned above and consent to leave your child in temporary custody of a teacher.
